Insight About the Future

1. The Kingdom of God is Present Today

- There is a future kingdom as well

2. The Full Manifestation of the Kingdom of God Will Be Obvious to Everyone

- Warning – people will claim secret knowledge
- As obvious as lightning

3. The Full Manifestation of the Kingdom of God Will Include a Terrible Judgment

- It will come suddenly and unexpectedly
- Like the days of Noah
- Like the days of Lot

4. God's People Will Be Rescued Before the Judgment of God

- It will be a supernatural evacuation of believers
- Be encouraged

5. In View of the Coming Kingdom, Keep Your Priorities Straight

- Don't hold on to the things of this world

The Delay of the Second Coming is God's Patience
