"The Values Of The Garden Of Gethsemane"

Mark 14:32-42

Do We Have The Right Mindset About Using Prayer as a Tool to Lay Our Worries Before God?

Jesus asks for vigilance

- We think we are OK but we are not
- To hold to a higher power than what we struggle with

Jesus was able to persevere through His agony

- Full of courage and conviction without fear
- We know the giving of what we have, frees us to receive what we need

In need Jesus calls on those closest to Him

- Yet not what I will but what you will
- In the Garden everything was finally established

What Can Jesus' submission teach us

- Vigilance in face of temptation
- Submit wholly
- Prayer is more than we thought it was

OUR VICTORY IS NOT IMMEDIATE BUT GUARANTEED
