- United with Christ in His resurrection
- Life in the fullness of the Holy Spirit
- We talk with Christ in prayer

TEACHING ABOUT PRAYER FOR HEALING

1. Not by our power or godliness
2. Tied to the death of Christ
3. Healing comes because Jesus is alive
4. Only in the name of Jesus
5. Faith in Jesus
 - Our united faith is significant to our Lord
 - Faith is not something we generate inside ourselves
 - Faith is how we see Jesus

IMPORTANT TRUTHS ABOUT PRAYER FOR HEALING

1. It doesn't negate the value of medicine and doctors
2. Divine healing is temporary
3. God is sovereign in all these matters
 - We pray in line with the desires of God
 - Not all prayers will be granted
 - God's power may be displayed through weakness
