"THE GREAT NEED OF MANKIND"

Romans 1:18-32
Pastor David Crouse

People Don't Have An Obvious Sense of Need for the Gospel

- **Eternity** is at stake
- Like a tree **rotting** on the inside

The Wrath of God is Being Revealed

- Focuses on godlessness, wickedness, suppressing the **truth**

God Has Imprinted Himself On His Creation

- Men are without **excuse**
- They fail to **worship** God
- Worship images of **created** things

God Gave Them Over

- **Sexual** impurity
- Exchanged the truth of God for a **lie**
- Shameful **lusts**
- Violated the very **structure** of the created order
- A dark catalogue of sins from a **depraved** mind
- They **approve** of those who practice them

Only the Gospel Has Power to Overturn the Death Sentence
