

“Jesus – Life of the Party”  
John 2:1-11

## Applications

What I heard God say to me today: \_\_\_\_\_

---

1. Read each of these Old Testament passages... (1/day). Try to discern principles that point to Christ and/or His ministry and from that what we can learn and apply for today?

Deuteronomy 22:8

Judges 3:12-30

Psalms 137

Daniel 3:1-18

Joel 2:28-32

Genesis 18:16-33

2. Find a way to bless someone this week, trying to not be known for doing it. How easy was it to do?  
How often could you do this without wanting to take credit?
