

“Where’s the Beef” – Sept. 19th, 2010
Leviticus Chapters 1-7

Applications

What I heard God say to me today:

1. Read Leviticus chapters 8-10 this week. Write down any thoughts or questions you have for Sunday. Feel free to send them to a pastor or talk about them with a friend.

2. Examine the religious rituals you have (and we all have them, even atheists). What do they direct your heart towards? Are they only a surface projection of an image you want to give?
3. Read Romans 12:1-2. How can you be a living sacrifice this week? How will you allow God to renew your mind?
