

What Do Worshippers Wear?
Colossians 3:1-17
September 8, 2013

1. Read Colossians 3:12-14
 - a. What are the qualities that as followers of Jesus we are to 'put on' or clothe ourselves with?
 - b. What are some of the challenges you face in living the kind of life that has these qualities as you consistent wardrobe?
 - c. How can you cooperate with God to overcome or remove these challenges? (Read v.10, 14)

2. In the Bible there is very little about what kind of physical clothing worshippers of God are supposed to wear. What do you learn from these passages? (It probably would be good to have a commentary or study help for some of these verses to get into the culture behind the instruction.)
 - i. 1 Timothy 2:9-10
 - ii. 1 Peter 3:3-4
 - iii. 1 Corinthians 11:3-10

3. How does focusing on the internal 'clothing' we wear in worship over the external clothing help us to navigate the differences in culture and generations when it comes to 'dress code' in corporate worship?
 - a. In what ways can we allow our love for God show in love for others who come to worship differently than we do?
