

Galatians Series #6 – How Did You Start?
March 9, 2014
Galatians 3:1-5

1. What makes the foundation of a house so important?
 - a. What is the foundation of Christianity? (cf. 1 Cor. 15:3-4, 12-14, Galatians 3:1-5)
 - b. Since the foundation of Christianity is the gospel message of who Jesus is and what Jesus has done, what does that imply about how to live as a Christian?
2. What is the biblical account for how the Holy Spirit is received by people? (cf. Acts 2:4, 17, 33, 10:44, 11:15-17)
 - a. How does this agree or disagree with what Paul says in Galatians 3:1-5?
3. Paul is speaking in this passage about how a person grows spiritually.
 - a. First, what does it mean, biblically speaking, for a person to grow spiritually? (think Great Commandments)
 - b. How does Paul say a person grows spiritually?
 - c. What is the difference between living in the Spirit and working at it by our own effort?
4. In our spiritual disciplines campaign we have been saying that spiritual disciplines prepare us to listen or to follow the voice or leading of God. How does this align with what Paul says in this passage about how to grow spiritually?
