

The Captivating Life of Jesus #4
“Getting Called Up” – Pastor Sam Barry

Principles to Reflect & Study

1. The Disciples
Mark 3:14-15

When Jesus appointed His disciples, He planned for them to be active and moving members of the culture He set in motion. Whether the disciples realized it or not, they would be constantly roaming as nomadic missionaries.

What is God preparing you for that you may be unaware of?

2. Paul
Galatians 1:1-3

Paul declared himself as being sent by God and often used this as his introduction to his teaching. He saw that everything he shared needed to be framed by the understanding of God’s role in his life.

How does looking at our lives through this lens change and shape our actions in sharing the Good News of Jesus Christ.

3. Jesus
John 3:16-21

God’s redemptive plan came to its fullness in the sending of His Son to our earth. It is in the sharing of Jesus that we find eternal wholeness in God.

How should this compel us in our understanding of who God is? What does this tell us about what God looks for from us?

Dear God,
Shape my heart to be focused on how You send me.
